for your interest  
in the  
Heidelberg Artists Society*

## INTRODUCING HAS:

The Heidelberg Artists Society was founded in 1964 as a not-for-profit organisation.

It has a varied program of activities on offer to promote members interests and skills in painting, drawing and associated fine arts.

HAS cultivates a social spirit among members and friends and between other artists and societies of artists.

HAS supports community efforts to re-establish the rich heritage and traditions of the "Heidelberg School of Painters".
